Dear Friends,

Rosh Hashona is almost here again so I would like to invite you to insert New Year greetings in the Yom Tov edition of Hakol. The income from the New Year greetings cover a large part of the annual cost of producing the Hakol. If you have not done so in previous years please consider inserting a greeting this year.

Greetings are of a standard size and may contain a maximum of six lines of text.

Greetings cost **£15.00** and cheques should be made payable to **Solihull & District Hebrew Congregation**.

Please ensure that your completed form is returned together with payment to the address below before

August 1st for inclusion in the Rosh Hashona Hakol.

With best wishes

Rabbi Yehuda Pink
